WORKING WITH FUND MY FRANCHISE POWERED BY TENET FINANCIAL GROUP MEANS FINANCIAL EXPERTISE IN YOUR CORNER, AND PEACE OF MIND IN YOUR BUSINESS.

OUR CORE PRINCIPLES

Our clients are not commodities:

we're focused on service, not sales.

Others may take shortcuts:

we follow IRS regulations to the letter.

Our clients have never been audited:

your investment in our services will ensure superior protection every step of the way.

INVEST IN YOUR FUTURE WITH A COMPANY THAT OFFERS:

- Timeliness and responsiveness
- Consultative services
- A dedicated consultant guiding you throughout the process
- Administrative qualified plan specialists

It was clear that Tenet Financial Group was the best option.

They were more up to date on the regulations, they took care of every step in the process and they made sure I understood what was going to happen next. They were even one step ahead of my accountant. It was one less worry for me, and I could get started running my business knowing that the financial structure of my company was set up correctly.

~ Mark, Marietta, GA

From day one, Tenet Financial Group was a clear favorite.

They stayed in touch on a regular basis. They're always available. Their assistance leaves nothing to chance. It's easy to follow, and their online tools make updates a snap.
